

Why the Change in Hours?

Starting **June 1st, 2025**, OBITCO will shift to weekday-only hours: **Monday through Friday | 9AM to 6PM**

We wanted to take a moment to lovingly explain why.

Over the past year, we've noticed that nearly all of our amazing customers visit us during the week. Saturdays, once a little busier, have become increasingly quiet. As a small, relationship-driven business, we want to focus our time and energy where you need us most—during the week, when you're reaching out for support, answers, and reliable tech care.

This shift also allows our team the space to rest, recharge, and return each week ready to serve with full hearts and focused minds. We may revisit Saturday hours in the future if customer needs change—we're always listening.

Don't forget—our secure outdoor drop box is available anytime for after-hours drop-offs, and your equipment is always safe and protected with us.

We are beyond thankful for your continued trust. You're not just customers to us—you're part of our OBITCO family.

**With sincere appreciation,
- The OBITCO Team**
